

COMUNICATO STAMPA

A 100 million euros loan from CDP to IREN SpA

Reggio Emilia, 25th of February 2013 – IREN SpA informs of the closing, today, of a 100 million euros loan contract granted by Cassa Depositi e Prestiti SpA (CDP), with a 15-year maturity.

The operation is devoted to support the accomplishment of the new 2013-2015 IREN's Business Plan, particularly in relation with investments in energy infrastructures sector, in which, expansion and modernizing activities in electricity and gas distribution networks managed in reference areas are envisaged.

IREN's planned investments in energy networks have been considered consistent with institutional mission of CDP, which envisages the use of funds for infrastructural investments supporting National growth.

IREN is one of the leading multi-utility companies in Italy, established from the merger between Iride and Enìa, and provides public utility services in the Provinces of Genoa, Turin, Reggio Emilia, Parma and Piacenza. With a multi-business portfolio and leading presence in all the industrial areas (electrical energy, gas, water, waste, district heating and renewable energy) in addition to a good balance between open market activities and regulated activities, IREN is in third place among the multi-utility companies, on a national basis in terms of revenue and Ebitda.
