PRESS RELEASE

Rationale and Background to the Offers

The Offers are being made as part of the Company's active management of its liabilities and the purpose of the Offers is to manage the Company's upcoming redemptions pro-actively. Furthermore, the Offers provide a degree of liquidity to those Noteholders whose Notes are accepted in the Offers.

Details of the Offers

Target Acceptance Amount

The Company proposes to accept for purchase pursuant to the Offers up to €100,000,000 in aggregate nominal amount of the Notes (the "**Target Acceptance Amount**"), although the Company reserves the right, in its sole discretion and for any reason, to change the Target Acceptance Amount or to accept less than or more than the Target Acceptance Amount for purchase pursuant to the Offers. The Company will determine the allocation of the amount accepted for purchase pursuant to the Offers among each Series (the "**Series Acceptance Amounts**") in its sole discretion. For the avoidance of doubt, the Company reserves the right to accept more or less (by an amount which may or may not be significant), or none, of the Notes of any Series as compared to the other Series. A non-binding indication of the Series Acceptance Amounts will be announced at or around 10.00 a.m. (CET) on 3 December 2015 (the "**Indicative Results Announcement**"), although the Company may, in its absolute discretion, announce a non-binding indication of the Series Acceptance Amount at any earlier stage.

The Company is under no obligation to accept for purchase any Notes tendered pursuant to the Offers. The acceptance for purchase by the Company of Notes tendered pursuant to each Offer is at the sole discretion of the Company and tenders may be rejected by the Company for any reason.

Purchase Price

The Company will pay, for each Series of Notes accepted by it for purchase pursuant to each Offer, a price (the relevant "**Purchase Price**", expressed as a percentage and rounded to the third decimal place, with 0.0005 being rounded upwards) to be determined in respect of each Series of the Notes at or around 1.00 p.m. (CET) (the "**Pricing Time**") on 3 December 2015 (subject to the right of the Company to extend, re-open, amend and/or terminate any Offer) (the "**Pricing Date**") by reference to the sum (such sum, the relevant "**Purchase Yield**") of (a) the relevant Purchase Spread and (b) the relevant Benchmark Rate.

The Purchase Price in respect of each Series will be determined in the manner described in the Tender Offer Memorandum in accordance with market convention, and is intended to reflect a yield to maturity of each Series on the Settlement Date equal to the relevant Purchase Yield. Specifically, for each Series, the relevant Purchase Price will equal (a) the value of all remaining payments of principal and interest on such Series up to and including its maturity date, discounted to the Settlement Date at a discount rate equal to the relevant Purchase Yield, minus (b) the relevant Accrued Interest.

PRESS RELEASE

The calculation of the relevant Purchase Yield, Purchase Price and Accrued Interest for each Series of Notes will be made by the Dealer Managers on behalf of the Company, and such calculations will be final and binding on the Noteholders in the absence of manifest error.

Accrued Interest

The Company will also pay Accrued Interest in respect of Notes accepted for purchase pursuant to each Offer.

Scaling

If valid tenders of Notes of any Series received by the Tender Agent are in respect of an aggregate nominal amount which is greater than the Series Acceptance Amount, the Company reserves the right to accept such Notes, either on a *pro rata* basis or otherwise, so that the aggregate nominal amount of the Notes of such Series accepted for purchase is no greater than the Series Acceptance Amount. The Company will only accept valid tenders received by the Tender Agent which, as a result of scaling, are in respect of Notes of a Series of a nominal amount of at least €100,000. In addition, the Company will only accept tenders of Notes subject to scaling to the extent that such scaling does not result in the relevant Noteholder's residual amount of Notes (being the nominal amount of the Notes that are the subject of the relevant Tender Instruction that are not accepted for purchase by virtue of such scaling) totalling less than €100,000.

Tender Instructions

In order to participate in, and be eligible to receive the relevant Purchase Price pursuant to an Offer, Noteholders must validly tender their Notes by delivering, or arranging to have delivered on their behalf, a valid Tender Instruction that is received by the Tender Agent by 5.00 p.m. (CET) on 2 December 2015 (the "**Expiration Deadline**").

Noteholders are advised to check with any bank, securities broker or other intermediary through which they hold Notes when such intermediary would need to receive instructions from a Noteholder in order for that Noteholder to be able to participate in, or (in the limited circumstances in which revocation is permitted) revoke their instruction to participate in, the relevant Offer by the deadlines specified in the Tender Offer Memorandum. The deadlines set by any such intermediary and each Clearing System for the submission and withdrawal of Tender Instructions may be earlier than the relevant deadlines specified in the Tender Offer Memorandum.

Once submitted, Tender Instructions will be irrevocable except in the limited circumstances described in the Tender Offer Memorandum.

Separate Tender Instructions in respect of each Series must be submitted in respect of a nominal amount of Notes which is (i) at least €100,000, being the minimum denomination of each Series and (ii) in any event, an integral multiple of €1,000. A separate Tender Instruction must also be completed on behalf of each beneficial owner. Tender Instructions which relate to a nominal amount of Notes of any relevant Series of less than €100,000 (including after *pro rata* scaling, if any, as described above) will be rejected.

PRESS RELEASE

Belgium

Neither the Tender Offer Memorandum nor any other documents or materials relating to the Offers have been submitted to or will be submitted for approval or recognition to the Financial Services and Markets Authority (*Autorité des services et marchés financiers / Autoriteit financiële diensten en markten*) and, accordingly, the Offers may not be made in Belgium by way of a public offering, as defined in Articles 3 and 6 of the Belgian Law of 1 April 2007 on public takeover bids as amended or replaced from time to time. Accordingly, the Offers may not be advertised and the Offers will not be extended, and neither the Tender Offer Memorandum nor any other documents or materials relating to the Offers (including any memorandum, information circular, brochure or any similar documents) has been or shall be distributed or made available, directly or indirectly, to any person in Belgium other than “qualified investors” in the sense of Article 10 of the Belgian Law of 16 June 2006 on the public offer of placement instruments and the admission to trading of placement instruments on regulated markets (as amended from time to time), acting on their own account. Insofar as Belgium is concerned, the Tender Offer Memorandum has been issued only for the personal use of the above qualified investors and exclusively for the purpose of the Offers. Accordingly, the information contained in the Tender Offer Memorandum may not be used for any other purpose or disclosed to any other person in Belgium.

General

The Tender Offer Memorandum does not constitute an offer to buy or the solicitation of an offer to sell Notes (and tenders of Notes will not be accepted from Noteholders) in any circumstances in which such offer or solicitation is unlawful. In those jurisdictions where the securities, blue sky or other laws require the Offers to be made by a licensed broker or dealer or similar and any of the Dealer Managers and their respective affiliates is such a licensed broker or dealer or similar in any such jurisdiction, such Offers shall be deemed to be made by such Dealer Manager or such affiliate, as the case may be, on behalf of the Company in such jurisdiction.

In addition to the representations referred to above in respect of the United States, each Noteholder participating in an Offer will also be deemed to give certain representations in respect of the other jurisdictions referred to above and generally as set out in the Tender Offer Memorandum. Any tender of Notes for purchase pursuant to an Offer from a Noteholder that is unable to make these representations may be rejected. Each of the Company, the Dealer Managers and the Tender Agent reserves the right, in its absolute discretion (and without prejudice to the relevant Noteholder's responsibility for the representations made by it), to investigate, in relation to any tender of Notes for purchase pursuant to any Offer, whether any such representation given by a Noteholder is correct and, if such investigation is undertaken and as a result the Company determines (for any reason) that such representation is not correct, such tender may be rejected.
